The meeting was called to order at 3:32 p.m. by Joshua Rolfe, Chairman

New Business

1. None

Old Business

1. New Truck Bids

The Town Manager and the Public Works Director reviewed all of the submitted quotes on the new plow truck options. The recommendation is to purchase the 2019 International 10-Wheeler from Freightliner of Maine for \$167,835.00. While this truck is a little more expensive than some of the other bids it is available on the lot. The Town Manager contacted the other dealers regarding a delivery date and everyone referenced a January 2019 delivery for the cab & chassis. The Town needs this truck to plow snow this season. The manager did speak with Freightliner and asked if we bought both trucks through their dealership could we get a discount? They do not have much room on the new truck and could only reduce it to \$ 166,773.00 but the would reduce the used truck to \$68, 500. This amounts to a reduction of \$5,062.00 from the bid price.

Motion by Warren to approve the purchase of the 2019 International from Freightliner of Maine and to check into the price of an extended warranty, second by Paula. The Town should purchase the warranty if there is enough money left in the loan. All in favor.

Adjourn

Motion by Warren and second by Paula to adjourn at 3:46 p.m. All in favor.
